

Paid Summer 2022 Apprenticeship Available for a High School Student at AU

- Paid apprenticeship position for one (1) high school student is available on a nationwide competitive basis in the laboratory of Dr. Jay Hegdé at the Medical College of Georgia (MCG) at Augusta University (AU) in Augusta, GA.
- Sponsored by the High School Apprenticeship Program of the U.S. Army Educational Outreach Program (AEOP) (www.usaeop.com).
- The apprentices will have an opportunity to carry out hands-on brain research and to learn cutting-edge research methods. For additional information about our research, please visit www.hegde.us.
- **Each apprentice will be paid up to \$3000 for 300 hours (8-10 weeks) of research work carried out at AU during the summer of 2022.**
- Highly motivated students 16 years of age or older interested in STEM research are encouraged to apply, ***regardless of their GPA.***
- To view all the eligibility requirements and to apply, please visit <https://www.usaeop.com/program/high-school-apprenticeships/> (look for the yellow **“APPLY NOW”** tab at the bottom of the page).
- ***The application portal is open now, and will close on February 28, 2022.*** For additional information, please visit the AEOP website noted above or contact Dr. Hegdé at jhegde@augusta.edu or (706)721-5129.
